

## **Tariff Sheet and Terms and Conditions**

**One cat £10 per day**

**Two cats sharing £16 per day**

**Cats sharing must be from the same household.**

There is a minimum booking period/charge of four days, for peak holiday times.

For Christmas Day and New Years Day, the prices are double the standard daily rate.

The balance of your boarding fee is payable on departure, currently we only accept cash.

Boarding fees are calculated by overnight stay providing your cat is collected by mid-day; otherwise an additional night will be charged.

### **Terms and conditions**

Please note that all cats are boarded at the owner's risk. Therefore, a condition of your cat's stay is that your cat is in a fit and healthy condition and has proof of vaccination against Feline Influenza and Enteritis. All cats are boarded at the sole risk of their owners and whilst every care will be taken, Caesar's Pad cannot be liable for illness, injury or death of any animal in their care.

Your cat may eat or drink less than usual whilst settling in. We will do whatever we can to encourage normal levels of consumption, we are not, however able to take responsibility for the quantity of water and food our boarders choose to consume.

Check in is from 4pm until 6pm

Checkout is from 9am until 11am

Payment must be made in full on check out.

If you require check in and/or checkout outside these hours, this must be pre arranged and agreed at the time of booking.

In emergency please call 07867498812 to inform us of any delays.

All fees are charged by the day and include a charge for the day of arrival after 4 pm and departure before 11 am. If you are late checking your cat out of Caesars Pad you may be charged accordingly.

Please bring your cats vaccination certificate with on for check in as we only accept cats at Caesar's Pad Cattery with up to date vaccinations for Feline Enteritis and Feline Calicivirus (cat flu), and that have been treated for flea and worm parasites. We recommend a minimum time between receiving a booster/inoculation and entry into the cattery of 14 days. This will allow any adverse reactions to the drugs

to clear, and will protect your cat properly. You must bring your cat's current vaccination certificate with you for photocopying for our records.

By giving us your email address, (online or in-house) you are automatically opted in to receive offers and newsletters from us. We do not sell your details to any third parties and you can unsubscribe at any point.

By signing the contract you give full consent for my cat/cats named below to be photographed and freely used for any promotional campaigns and publicity, both online and in paper formats, whilst in the care of Caesar's Pad Cattery.

We are happy to administer oral medication to your cats while they are with us, there may be an additional charge. Any cat suffering or suspected of suffering from any infection illness or disease during their stay with us, will be removed to our isolation facility, for both their and our other guest's safety, pending advice from a veterinary surgeon.

In the unlikely event that your cat does become unwell at Caesar's Pad Cattery, we will do whatever is required to ensure the best care for your cat. All treatment and care charges are the responsibility of you the cat's owner. Your cat will be treated by a vet under the cattery's insurance policy, however, pre-existing conditions will not be covered and owners will be liable for any vets' bills for such treatment.

We take great care to ensure that we remain free of fleas and worms, so that your cat does not contract them while staying with us. If we find a cat in our care has either we will again speak to the vet, and treat the cat accordingly. This may incur a charge.
